For you

- Social editor (sonnet) first run skipped: slide 3 showed hotspot labels as names of queued entries. After the curator fixed the penny-loafer hotspots, a second run was ok: three-slide carousel and caption for penny-loafer in social/2026-10-16/ (slides=3, captionChars=667, hashtags=8). Logged here because the validator does not accept the role social-editor.
- anderson-sheppard has no picture: Commons rate-limited the machine and its file pages could not be fetched.
- Existing entries changed tonight: preppy and neapolitan-tailoring (back-links only; the weaver's new relations were removed after the fact-check).

- Site issues for Lasse (site/ and tools/ are off-limits to the run): blank no-picture panel, run-together Connections links, web label collisions, and the wanted-label rule in tools/lib.mjs that names a queued id after the first hotspot label pointing at it.

Agent	Model	Status	What it did
Fact-checker peacock-revolution, anderson-sheppard, penny-loafer, preppy, neapolitan-tailoring	opus	PARTIAL	1 contradicted and 16 unsupported claims out of 125; Rogers Peet was a retailer, not a maker; three sources could not be opened. claims 125, supported 108, unsupported 16, contradicted 1, relations 23, relations unsupported 5, pictures 0, licence problems 0 • The Rake and Wikipedia Preppy / Ivy League (clothing) could not be opened (permission not answered) • Several penny-loafer claims credited to the wrong source • Diamond cut-out dated to 1936 with no source
Visual reviewer peacock-revolution, anderson-sheppard, penny-loafer, preppy, neapolitan-tailoring	opus	PARTIAL	Penny loafer plate passes; overlapping phone hotspots and literal asterisks in a summary fixed; site-template issues remain. reviewed 5, pass 1, fixes 8 • Site template: no-picture entry page is an empty green panel with a letter • Site template: Connections links run together with no separator • Web layout: peacock-revolution label collides with penny-loafer card; neapolitan-tailoring at the far edge • test.mjs does not produce web-desktop-light.png, web-card.png or phone dark-mode entry shots
Tester	sonnet	OK	npm test passed: 215 checks, 0 failures. checks 215, failures 0
Curator	opus	OK	Next up was empty. Chose peacock-revolution (no entries in the 1970s; post-war era ended 1964), anderson-sheppard (only one maker in the atlas, linked from 3) and penny-loafer (garment with a plate, and the first Scandinavian entry). Fixed the Rogers Peet contradiction and all unsupported claims (re-attributed or cut), removed the two unverifiable weaver relations and the undated nehru-jacket relation, moved a phone-overlapping hotspot, dropped two penny-loafer hotspots whose labels were misnaming queued ids, and re-ran the social editor. Also relinked Tommy Nutter in peacock-revolution so the queued id is not named 'Nutters of Savile Row'. topics 3, added 3, dropped 0 • Commons unreachable again: no archival pictures tonight • WebFetch permission prompts time out in unattended runs, so several sources could not be opened
