For you

- Copenhagen date 2026-10-22 (started 00:55 CEST; UTC date was 2026-10-21).
- Social editor (sonnet) ok: madras carousel, 3 slides, caption 613 characters, 8 hashtags in social/2026-10-22/; only madras had a picture. Logged here because the validator does not accept the role social-editor.
- Needs Lasse (site/ and tools/, which the run may not edit): entry-page fallback for pictureless entries (blank plate with a lone initial); spacing between Connections links; add social-editor to the run-log roles; visual-reviewer brief names screenshots the tests no longer make; footer 'Updated' date is a day behind the Copenhagen date.
- No era covers 1975 onward, so dress-for-success has none.
