Sack suit

The loose, straight-hanging American suit with a two-piece back and no darts. The coat dates from the 1840s and 1850s; Brooks Brothers sold its own No. 1 Sack Suit from 1895 or 1901, by different accounts, and the cut became the uniform of the Ivy League look.

Zazous

A swing-mad youth set in occupied Paris, about 1940 to 1944, who wore knee-length jackets, narrow trousers, thick-soled shoes and furled umbrellas while cloth was rationed. The Vichy press and youth groups attacked them; historians differ on whether it was resistance.

For you

- No public-domain pictures could be confirmed tonight: Wikimedia Commons rate-limited the machine and some file pages could not be fetched; zazou and frederick-scholte have no picture.
- zazou has no era band: none covers 1939-1945. Added a wartime era to Ideas.
- ametora needs its sources repaired: ivy-style.com/?p=3510 and putthison.com/?p=4622 load unrelated posts.
- The Semiovox source on zazou is dated 14 October 2026, one day before the run; it was opened and is cited only for claims named as its own.
- Social editor (sonnet) ok: three-slide carousel and caption for sack-suit in social/2026-10-15/ (slides=3, captionChars=708, hashtags=8); slide 3 shows placeholder frames for the five linked entries, none of which has a

picture. Logged here because the validator does not accept the role social-editor (tools/validate.mjs needs it added).

- Existing entries changed tonight: brooks-brothers and edwardian (sack-suit date now gives both 1895 and 1901), ametora (unverified influenced-by sack-suit relation removed). Not listed under topics because the report tool counts every topic row as a new entry.

How the agents did

Agent	Model	Status	What it did
Researcher sack-suit	sonnet	PARTIAL	research/sack-suit.md; found no source for Brooks's 1895 date, blogs give 1901; sack coat dates from the 1840s-50s (FIT). sources 7, connections 6, picture candidate 0 • Brooks 1901 date backed only by blogs • Commons fetch blocked, no picture candidate • Ivy sack details rest on Wikipedia
Researcher zazou	sonnet	PARTIAL	research/zazou.md; enough for a style entry (France, 1940-44), no public-domain picture. sources 5, connections 8, picture candidate 0 • Sources largely repeat Wikipedia; no museum or book source opened • Commons rate-limited; only Commons zazou image is Free Art License • No era covers 1939-45
Researcher frederick-scholte	sonnet	PARTIAL	research/frederick-scholte.md; solid sources, no picture candidate confirmed. sources 8, connections 5, picture candidate 0 • Commons category fetch blocked; Met images restricted • Guards apprenticeship from Wikipedia only • Wikipedia and Anderson & Sheppard disagree on when the drape began

Fact-checker sack-suit, zazou, frederick-scholte, brooks-brothers, edwardian, ametora	opus	PARTIAL	3 contradicted and 37 unsupported claims out of 190; ametora (from an earlier night) largely unverifiable because its sources were blocked or point to the wrong post. claims 190, supported 150, unsupported 37, contradicted 3, relations 33, relations unsupported 7, pictures 0, licence problems 0 • Several source fetches blocked or timed out (Lapham's, Ivy Style, Fader, EBSCO) • ametora: ivy-style.com/?p=3510 and putthison.com/?p=4622 load unrelated posts • dieworkwear.com/?p=30 is the Eddie Bauer parka post, mislabelled as a sack-suit post

Tester	sonnet	OK	npm test passed: 191 checks, 0 failures. checks 191, failures 0
Curator	opus	OK	Next up was empty. Chose sack-suit (most-linked queued garment, construction, plate), zazou (France had no style and the 1940s had no entries) and frederick-scholte (most-linked queued person). Fixed all 3 contradictions and the tonight-entry unsupported claims after the fact-check: stated both 1895 (Wikipedia) and 1901 dates for the No. 1 Sack Suit, corrected the Anderson & Sheppard founding (Anderson & Simmons, 1906), Lily Absinthe buttonholes, zazou anthem/Fishman/false-collar wording, Scholte's 1917 article and apprenticeship wording, softened two hotspot notes, renamed the Die, Workwear! source title, removed the unverified ametora influenced-by sack-suit relation. topics 3, added 3, dropped 0, folded 0, changed 3 • Older ametora and brooks-brothers claims rest on sources the fact-checker could not open or that point to the wrong post; left for the gardener rather than rewritten tonight • Site template issues reported by the reviewer cannot be fixed by the run (site/ is off limits) • Taken as today's date: 2026-10-15 (Europe/Copenhagen; the run started just after midnight) • Run-log validator rejects role social-editor; its row moved to notes
