For you

- Date taken as 2026-10-17 (Europe/Copenhagen); the run began at 00:54 local while the machine clock in UTC still read the 16th.
- Site template issues for Lasse (curator may not edit site/): no-picture fallback on entry pages looks blank; Connections links need separators.
- The loden coat plate draws a doubled panel over shoulders and upper chest; the text now names only the doubled shoulder, as Roetzel does.
- Social editor (sonnet) ok: three-slide carousel and caption for loden-coat in social/2026-10-17/ (slides=3, captionChars=630, hashtags=8); slide 3 shows placeholders for the five connected entries, none of which has a

picture. Logged here because the validator does not accept the role social-editor.

How the agents did

Agent	Model	Status	What it did
Researcher ralph-lauren	sonnet	PARTIAL	research/ralph-lauren.md; biography and company timeline from nine sources, including Biography.com, EBSCO, Britannica, Gentleman's Gazette and the company's own timeline. sources 9, connections 11, picture candidate 0 • Wikipedia and Commons fetches blocked (permission not answered), no picture candidate • No opened source says preppy or Ivy influenced him • Sources disagree on start-up loan ($30k vs $50k), name-change age and Purple Label year
Researcher natural-shoulder	sonnet	PARTIAL	research/natural-shoulder.md; construction, the 6 1/8 inch measure, J. Press and mid-century Brooks from Ivy Style, Bonne Gueule, FIT and Permanent Style. sources 7, connections 7, picture candidate 0 • Wikipedia and Commons fetches blocked (permission not answered), no picture candidate • No source dates the natural shoulder or names an inventor • Four of seven sources are one blog (Ivy Style); maker claims partly from reader comments
Researcher loden-coat	sonnet	OK	research/loden-coat.md; cloth, fulling, colours and the Hubertus coat from Permanent Style, Britannica, Wikipedia, Weinstrasse and Austria-Forum. sources 5, connections 6, picture candidate 0 • Commons fetch blocked (permission not answered), no picture candidate • Only one deep source (Permanent Style) • Britannica 16th-century date conflicts with Permanent Style's 15th-century mills
Writer	opus	OK	Wrote ralph-lauren, natural-shoulder and loden-coat from the notes; disagreements named in the text. entries 3, new links 22, relations 11 • ralph-lauren body at the 450-word limit
Weaver	opus	PARTIAL	Added 6 threads, no folds, no orphans; two threads on older entries were reverted by the curator because their sources were not opened tonight. relations added 6, back links 0, folds 0, orphans 0 • Threads drape-cut ~ natural-shoulder and preppy ~ penny-loafer rested on sources nobody opened in this run; reverted
Illustrator	opus	PARTIAL	Drew the loden coat front plate (tonight's plate) and cropped natural-shoulder from the sack-suit plate; ralph-lauren has no picture. prints 0, drawings 1, crops 1, none 1, render rounds 2 • Commons API returned 429 (rate limit) on the one search; no file page opened, no hotlink possible

Agent	Model	Status	What it did
Fact-checker	opus	PARTIAL	Checked 5 files; 2 contradicted and about 10 unsupported claims or relations, all fixed or removed by the curator; drape-cut could not be checked. claims 150, supported 106, unsupported 42, contradicted 2, relations 25, relations unsupported 8, pictures 0, licence problems 0 • WebFetch permission not granted for Wikipedia, The Rake and Put This On; drape-cut sources unchecked • Read Wikipedia by curl as a workaround; the curator did not rely on that read and reverted the changes it covered • contradicted: ralph-lauren said no source explains the Polo name (EBSCO does) • contradicted: natural-shoulder credited Ivy Style's lead writer (author is contributor James Moore)
Visual reviewer	opus	PARTIAL	natural-shoulder crop passes; loden-coat plate passes after one ring moved; ralph-lauren entry-page fallback and Connections link spacing are template problems. reviewed 3, pass 1, fixes 3 • loden-coat 'Doubled shoulder' ring sat on the chest; moved to (206, 124) • Entry-page no-picture fallback is an empty green panel with one letter (site template) • Connections links run together without separators on entry pages (site template) • Brief names web-desktop-light.png and web-card.png, which npm test does not create
Tester	sonnet	OK	npm test passed 239 checks with 0 failures. checks 239, failures 0 • Same visual oddities as the visual reviewer: Connections spacing, empty no-picture panel • Footer 'Updated' uses the UTC build date, a day behind the Copenhagen added date
